

True Transport Insure

OWNER-OPERATOR INSURANCE PROGRAMS MADE EASY

True Transport Insure (TTI) designs, implements and manages high-performance owner-operator insurance programs for the trucking industry. Built by NSM Insurance Group – the nation’s leading provider of specialty insurance solutions – TTI has been working with agents, sponsoring motor carriers and owner-operators to deliver turnkey solutions and robust coverage from top-rated carriers for more than 20 years.

PROGRAM ADVANTAGES

Coverage of fleets from 5-5,000 drivers

Access to the whole marketplace for owner-operator insurance and multiple competitive quotes

Turnkey technology solution that alleviates the burden of administrative paperwork

Footprint in all 50 states, with success placing coverage in heavily regulated states

Extensive industry knowledge

Highly responsive customer service

True Transport Insure

OWNER-OPERATOR INSURANCE PROGRAMS MADE EASY

OUR TECHNOLOGY, YOUR COMPETITIVE ADVANTAGE

With TTI's state-of-the-art TrueAdvantage insurance management system, agents and insureds can forget about the time-consuming, manual administration of owner-operator programs. We do it all for you.

Leveraging advanced technology, our team at TTI automates and manages the administrative process seamlessly from start to finish — enabling efficiencies and delivering added value. This includes:

- Collecting all applications
- Adding/deleting drivers
- Issuing Certificates of Insurance
- Coverage verification
- Monthly reporting
- Itemized billing

TRUE
ADVANTAGE

THE TTI DIFFERENCE

INDUSTRY EXPERTISE

- Our experience and expertise in the industry has earned us a reputation as the provider of choice in the trucking space.

TECHNOLOGY & INNOVATION

- We invest in advanced technology — like our TrueAdvantage insurance management system — to make agents' and insureds' lives easier.

MARKET ACCESS & LEVERAGE

- Not only do we have established relationships with a deep bench of top-rated carriers across the country, our volume within this niche demands the best from these markets.

CREATIVITY & FLEXIBILITY

- While we are well-established in the industry, we remain committed to being nimble and flexible to help ensure we can meet individual needs.
