

Help Your Nonprofit Clients Earn Money Along The Way!

CARE PROVIDERS INSURANCE SERVICES + TEXAS MUTUAL

Care Providers Insurance Services has partnered with Texas Mutual to offer two safety groups for our nonprofit clients — Social Services of Texas Safety Group and Texas Church Safety Group.

Organizations that join a safety group receive premium discounts on workers' comp insurance and have the potential to earn additional dividends based on individual and group performance. We're talking real money!

THE NUMBERS SPEAK FOR THEMSELVES!

- Your clients **RECEIVE 12.2% TO 12.4% OFF THEIR PREMIUM** when they join a safety group
- **92%** of Texas Mutual policyholders earned a dividend last year
- In 2022, we paid **\$934,458** in total dividends to the Social Services Agencies of Texas Safety Group members and **\$161,127** to the Texas Church Safety Group members
- Churches in our safety group program had a **.1%** loss ratio in 2022!
